

Haematology Association of Ireland (HAI): Abstract Submission Guidelines HAI 2026

Radisson Hotel, Little Island, Cork

<http://www.haematologyireland.ie>

Submission deadline: Midnight Tuesday 1st September 2026

Abstract submission to HAI implies that ALL authors have read and reviewed the submission. All authors must be afforded an opportunity to review and comment on the submitted abstract in advance of the deadline. Abstracts may be withdrawn but not altered after the deadline.

Nursing & Allied Health Submission Deadline is: Midnight Tuesday 1st September 2026

Important: When submitting your abstract, please ensure to only include contact details for the person who will be presenting the submission at the conference.

Clinical Vignettes Session:

We are also delighted announce that we will be continuing with our Clinical Vignettes session due to the positive response it received over the past couple of years. This is a session specifically dedicated to those who would like to submit case reports.

These can be centred on, for example, an interesting patient or of a patient/treatment that has/has not worked. Each presentation will be allocated 5 x minutes in total to present. When submitting, these do not need to be in abstract format.

Whilst reports of individuals cases (case reports) with unique scientific or educational value will be considered, they must enhance clinical practice or diagnostic understanding to be accepted. In the interest of maintaining high scientific standards only those abstracts passing peer review will be accepted.

Abstract should be submitted with font size of the text not smaller than 11. Single Spacing. The initials and surname of the authors without titles or degrees should appear below the title. The departments, institutions and cities should be listed next.

The abstract should include the following elements:

- 1) Title: (in block capitals)
- 2) Introduction/Background: a brief discussion of the background or rationale of the study and/or questions addressed
- 3) Materials and methods: the experimental approach, materials, and methods used in the study
- 4) Results: the data and results obtained in the study
- 5) Conclusions: the conclusions and/or implications of the results

The main body of the abstract must not exceed 400 words and should be single line spacing.

No tables/graphs or references permitted.

You will receive confirmation of your abstract submission from the online submission system. If you do not receive this confirmation, your abstract has not been submitted correctly. Any issues, please contact Sinead on: sinead@pharmatek.ie
